Dog License

The Rabies Clinic was a great success. Please be aware that the Keenesburg Municipal Code 7-6-20 states all dogs within town limits must be licensed. All dog licenses expired May 31, 2020. In order to license your dog, you must provide proof of rabies, distemper and parvo vaccinations by a licensed veterinarian; Licenses are \$5 per dog, with a maximum of three dogs. Please come in to Town Hall to license your dog. If you have any questions, please contact Town Hall.

Town Manager's Report

We are ready to experiment with in-person meetings again, and will plan to hold our July Board of Trustees and Planning Commission meetings in person beginning July 6, 2020. As we may continue to limit the number of people that may attend in person. If you wish to attend a meeting in person, we will require that you call to schedule this attendance with the Town Clerk in advance of the meeting. All public meetings will be held in a hybrid fashion with a combination of in-person and electronic participation. In-person meetings will be limited to attendance of five people from the public and open to everyone either GoToMeeting or by phone. Although we have been able to hold electronic meetings very successfully, we are eager to return to in-person meetings and have recognized that holding electronic meetings allows for more participation from the public. As such, we will be considering the continuance of the electronic format as an alternative to attending meetings in person for the convenience of our residents.

"You may have to fight a battle more than once to win it."

Margaret Thatcher

Congratulations to the class of 2020!
